

**University of Florence - Santa Verdiana Building
Florence, Italy, 31st July - 2nd August 2017**

It is Not Too Late

Abstract Submission Deadline Extended to 20th June 2017

Due to several demand from authors wanting to submit abstracts, the Technical Committee extended the deadline of submitting the abstract until June 20, 2017.

[Link for the Abstract Submission](#)

Please be sure your abstracts are submitted on time to become part of the MedGreen Forum 2017

MED GREEN FORUM 2017

This is the fourth bi-annual World Renewable Energy Congress and Network Forum aimed at the international community as well as Mediterranean countries. The first forum was held in 2010 in France. The Forum will highlight the importance of growing renewable energy applications in two main sectors: Electricity Generation and the Sustainable Building Sector.

FORUM TOPICS

1. sustainable architecture
2. building construction management and environment
3. ventilation & air movement in buildings
4. renewable energies in building & cities
5. eco materials and technology
6. policy education & finance
7. sustainable transport

8. urban agriculture and soil less urban green
